Foreword by Chief Instructor of JKA Europe

On behalf of the JKA/WF Europe, I would like to express my sincere gratitude to Swiss Karate Do Renmei for holding the 25th JKA European Championships.

I would also like to congratulate everyone on the 50th anniversary of Swiss Karate Do Renmei.

I'd like to ask all the participants at these JKA European Championships to do their best with complete understanding of the essence of Karate Do, and to show great attitude that is not only reflected in their techniques, but an attitude that fosters the spirit of courtesy, encouragement, determination and friendship.

Finally, I wish the 25th JKA European Championships to be completed successfully.

Chief Instructor JKA Europe
J. Bura

Foreword by President of JKA Europe

I am honoured on behalf of JKA Europe to write this foreword for the 2020 JKA European Championships.

The world has been going through a very difficult time since we first planned this competition. That we are able to meet again is a positive sign that we are on the road to recovery.

Thanks must go to JKA Switzerland, their organiser Tommaso Mini and his team for remaining committed to hosting the JKA European Championships. The well-deserved reputation of the Swiss for time keeping and precision will, I am sure, be reflected in the organisation of this event.

After so much time away, it will be wonderful to see perfect demonstrations of the beautiful practice of kata, in which competitors show the skills needed to combat several imaginary opponents. We are also looking forward to the accuracy, speed, power, but above all, pinpoint control of top-level kumite.

Finally, the most important acknowledgement goes out to all the competitors. It is your hard work, dedication and hours of training that will show everyone how good JKA European karate can be.

Tony Cronk
President JKA Europe

Foreword by President of JKA-Switzerland

Dear Friends of Shotokan Karate

All Swiss karatekas warmly welcome you to Sursee! We are happy and proud to host such an important international karate event. Tommaso Mini and his team have done everything to ensure your stay will be memorable.

Over the course of 728 years, Switzerland has grown into a multi-national community with 4 official languages and numerous religions and ethnic groups. To the visitor, Switzerland might seem full of contrasts, but thanks to a direct democracy, in which every adult citizen is required to take part in one way or another, we have lived in peace for over 150 years. Although Mother Nature did not give us much in the way of natural resources, we were given the great will to fight through poverty - at a time when we were once among the poorest countries in Europe - to become a flourishing economic stronghold today.

As well as innovations, the Swiss love traditions. For example, although our cows are internationally renowned for their robustness and productivity in terms of agriculture, there is actually a lesser known traditional competition in which the cows actually compete against each other to test their strength.

For us Swiss humans, one of the most popular individual sports is called « Schwingen ». The history of this sport goes back to the 13th century and is similar to judo. Strong men, known as the "the baddies", compete in a sawdust ring. The winner is the one who manages to throw his opponent over on his back. During the finals more than 60'000 spectators a day enjoy this competition.

So, given the fighting nature of Swiss traditions, it is no wonder that karate has gained such popularity across the country. More than 20'000 active karatekas are split into several associations, the Swiss Karate Do Renmei (SKR) representing the largest Shotokan association in Switzerland.

We are hoping for exciting, fair and accident-free competition in Sursee and we hope you go home with great memories.

Swiss Karate Do Renmei

Stephan Läuchli
President JKA-Switzerland

Foreword by Organising Committee's Chairman

Welcome to the 25th JKA European Championships 2020 in Switzerland

Due to the global COVID-19 pandemic, all of us have been going through very difficult times. The championships had to be postponed twice, but we never lost hope or enthusiasm for the event to go ahead.

So, at last, on 9th April 22, we are looking forward to welcoming the JKA Europe family to Switzerland. The fact that we can meet again and come together to look forward to the best of JKA Karate is a positive sign for us, and a signal we are on the way to normality.

Once again, on behalf of the organizing committee, I would like to thank JKA Europe for the trust they have placed in us. We are proud to host and organize the JKA European Championships for the first time.

Our traditional karate association, the Swiss Karate Do Renmei, was founded in 1969 and since then JKA karate has been taught all over Switzerland and is becoming increasingly popular.

The town of Sursee is an ideal venue for events. Lucerne, one of the most beautiful cities in Switzerland, is nearby and the airports of Zurich and Basel are about an hour's drive away. With around 1000 seats, the sports hall offers ideal facilities for our event.

We have chosen the Campus Hotel Sursee as our headquarters hotel. With its 66 seminar and conference rooms, 550 hotel rooms and 5 restaurants, it offers everything needed for a pleasant stay in Switzerland.

We are delighted that the whole JKA family will be with us at the Campus Hotel!

I would like to thank our great team of volunteers. Without their help, enthusiasm and support, events like this would not be possible.

We wish all participants and officials great championships and a pleasant stay in Switzerland.
